NATURAL IMAGE OC COSMETIC SURGERY & MEDCENTER

Lenore M. Sikorski, M.D.

Dr. Lenore Sikorski has acquired an applauded standing among patients and colleagues alike for her artistic eye and commitment to create a natural, non-surgically altered look. She is a gifted surgeon with over 15 years of fine arts training, earning her a national reputation for delivering the admirable results often requested in the clinical training of colleagues who seek to learn her surgical techniques.

Thanks to her extensive knowledge and expertise in the fields of medical dermatology, cosmetic dermatology, and cosmetic surgery; a majority of her patients are able to enjoy the convenience of Dr. Sikorski's Signature Packages, which include safe and beneficial combinations of treatments and procedures

delivering optimal results. With a variety of today's most advanced fractional laser technologies, Dr. Sikorski and her highly skilled and accredited staff are able to customize treatments tailored to the individual concerns of each patient, as each patient is entirely unique from the next patient. Whether it's for the elimination of skin reddening, correction of brown spots, or a decrease in the visibility of wrinkles; her MedCenter offers personalized packages that, in combination, effectively address all of her patients' cosmetic concerns. Dr. Sikorski and her team are able to minimize downtime and produce natural, refreshed results that erase environmental stressors on the hands, chest, and face.

Dr. Sikorski's state-of-the-art surgical facility Natural Image OC, located in Laguna Niguel, is accredited by the Accreditation Association for Ambulatory Health Care, Inc (AAAHC). This honorable, high quality rating assures that patients are treated in a safe, professional manner. In addition to medical dermatology, the MedCenter offers a full-spectrum of cosmetic procedures, utilizing dermal filler injectables such as Artefill, Sculptra, Silicone, and fat transferring to restore and volumize natural facial contours. To improve the contours of the body, she performs tumescent and laser liposculpture. Her passion for cosmetic procedures provides an exceptional experience for the men and women who seek her services, Dr. Sikorski and her caring, skilled staff make patient satisfaction and safety the top most priority.
